Goals

Capacity and Sustainability
The Career Development Council will have sufficient resources to maximize the effectiveness and efficiency of service delivery to participating school districts.

Service Effectiveness
Career development services will effectively promote career awareness, exploration and choices.

Business / Education Connection
Connections between the business and education sectors will increase as they work together through CDC to deliver career development services to students.

3 Year Strategic Plan

CAPACITY AND SUSTAINABILITY
SERVICE EFFECTIVENESS
BUSINESS / EDUCATION CONNECTION

Assess and modify services for optimal effectiveness
Evaluate and document service impact
Engage & connect business and education partners
Communicate service impact to decision makers
Secure school district participation and outside funding
Optimize use of available resources
