

Career Development Council

Mission

To prepare learners for transition to employment by connecting the education and business sectors to deliver career development services that promote career awareness, exploration and choices.

Career Development Council

Goals

Capacity and Sustainability

The Career Development Council will have sufficient resources to maximize the effectiveness and efficiency of service delivery to participating school districts

Service Effectiveness

Career development services will effectively promote career awareness, exploration and choices

Business / Education Connection

Connections between the business and education sectors will increase as they work together through CDC to deliver career development services to students
